

UNIQUE STYLE

New to the market is this unique four-bedroom detached house, the epitome of modern contemporary living, designed by well-known local architect John Turner. The property is constructed of smooth rendered elevations beneath a zinc roof, with powder coated aluminium rain water goods, feature zinc bay and large lights to the front elevation. Particular attention has been paid to lifestyle, light and space. On the ground floor the accommodation features a large lounge dining room with two pairs of bi-fold doors and opens into a smart fitted kitchen with quality appliances and further space for a table and chairs. There is a ground floor cloakroom and plenty of useful storage space. At the first floor there are four bedrooms, a family bathroom and en-suite which can be accessed from either bedroom one or bedroom two. The bedrooms feature vaulted ceilings, giving that extra feel of space. Internal viewing recommended.

Bankside,
