

PORTFOLIO APPRAISALS

Achieving your objectives is an integral part of rural property ownership. We are well placed to work with you to ensure you achieve them.

OUR SERVICE

Whether you are looking to invest in a property portfolio or have existing assets, our expert team are able to advise across a wide range of property types and business sectors.

We can review your existing or proposed portfolio to identify opportunities to add income or capital value, to streamline, rationalise or to release value to ensure your portfolio is working efficiently and effectively towards your objectives.

As a multi-disciplinary firm our rural, commercial and residential teams work together to provide advice across the full property range

WHY BROWN&CO?

With expertise across a wide range of property sectors and with detailed local market knowledge and national exposure our experienced qualified agents are very well placed to help with practical advice to maximise the output from your portfolio.

We welcome the opportunity to work closely with your other advisors and property professionals to achieve the most effective strategy for you.

HOW YOU BENEFIT

We will ensure you access the most up to date accurate market information. Our team of specialist property professionals have a wide range of property expertise and will be able to help to assess your objectives and help you to deliver them across a wide range of asset classes.

We will provide as much or as little support as you wish in your decision making process, making recommendations as to how to optimise your portfolio opportunities.

- Personal advisory service to meet the objectives for your portfolio
- A thorough and detailed market knowledge
- A Multi-disciplinary firm with knowledge of a wide range of property types
- We will remain engaged as long as you need, to support the changes and decisions
