

Thorgills Team Member Application

Thorgills is an organisation built on traditional values. This means we believe strongly in giving back to our local community; be it through our regular charity work, committing sponsorship to local schools and sports foundations, or providing a safe and fair place of business for local residents. As a market leader, we feel it is our duty to constantly be improving standards within our industry, this begins at home, in West London.

We believe in absolute equality, rewarding every member of the team accordingly, be it through professional progression, through their individual personal growth programme or our Thorgills dream academy. The Thorgills team are the Thorgills brand and we ensure that at every opportunity our brand is represented in a positive and professional manner.
