STORE SHEEP

A good entry of store lambs found a very good trade with stronger lambs selling to £75 the overall average was £58.20 and this included a high percentage of longer keep lambs. Buyers are looking for lambs of all types so keep them coming!

DISPERSAL OF THE BROMLEY FLOCK OF PEDIGREE SUFFOLK SHEEP

The dispersal sale of Pedigree Suffolk Sheep had attracted much interest and there were plenty of buyers around the ring. Some 32 flock age ewes were offered together with a selection of 9 ewe lambs and 2 rams. Bidding was brisk on many of the ewes which were from some noted blood lines. Highest price of the day was £556 for a four year old ewe originally from the Rugley flock by Strathisla Cappi. A two year old ewe with the Kexbeck prefix was next on the price list reaching £493. All of the flock age ewes averaged £346.83.

Probably best sold were the ewe lambs. These peaked at £315 for a lamb by Sitlow Voltage out of a Deveronside ewe. All of the ewe lambs averaged £298.

Highest price of the two stock rams was for the yearling ram Sitlow Voltage which made £840 and was purchased by Mr B J Rodenhurst, a noted local breeder of Suffolks.

CALVES AND WEANLINGS

Another week to record a marvellous calf trade with buyers coming from as far afield as Carmarthenshire. Bull Calves sold to £395 and averaged £318 to include black and whites which sold to £160. Heifers sold to £410 and averaged £327.50. More calves required.
