Charter Whyman was established by Andrew Whyman and Jonathan Charter, two extremely prominent and highly respected local estate agents.

Our values are based on integrity, professionalism, communication and personal accountability.

## OUR AIMS

When we set up our business, our aim was to provide the best service possible for our customers.

We understand that individual & quality properties need personal attention and a wealth of experience in order to achieve that all important sale or rental.

Above all, we are not driven by corporate targets or pressures and take a long term view where repeat business and respect within our local communities are paramount.

## A FRESH APPROACH

We wanted to ensure that everything we did was based around making the selling or letting process as smooth as possible for our clients.

We explored what other estate agents were doing, combined all of our expertise and devised ways of doing things better.

## ACHIEVING RESULTS

We understand that results and positive feedback are two key ingredients to running a successful business.

The directors at Charter Whyman have carefully selected a team of experienced estate agents who have a proven track record in sales, lettings and customer service.

For us, it is quite a simple formula, quality people will always produce quality service and quality results.

We would like to say a big thank you to you and your team for ensuring the smoothest purchase process ever! You were always very professional and ensured that we were always kept up to date. You would immediately answer or action any requests we had. A sincere thanks to you and the team.

A sale was agreed on our home within just a few days of marketing. Once the negotiations started, Charter Whyman handled all matters with courtesy, diligence and professionalism - resulting in a mutually acceptable offer. If only everybody could act as swiftly, and be as prompt when answering the phone!

Just a note to say a big thank you for your assistance in renting out my mother's house. At every stage I found your company to be extremely helpful and professional. The whole process ran smoothly and any issues that arose were dealt with efficiently. The communication with you throughout the whole process was excellent!

We found the whole Charter Whyman lettings service to be professional, innovative and pro-active. They succeeded way beyond other local estate agents. They took care to get the marketing material right and the communication was excellent throughout. We would highly recommend them.
