

09/03/2019 Sale Report

The second sale of 2019 at Melbourne village hall, despite the weather, drew a big crowd. The Friday afternoon / early evening viewing remained popular and will be offered again for the 13th April sale.

The use of internet bidding was successful with just under 30% of the total hammer value going online. The catalogue uploaded onto thesaleroom.com received over 12,000 page views.

Notable lots included an Ercol sofa which, after being underbid in the room, sold online at £540. A collection of Tadcaster brewery crates raced away at £110 and a surveyor's level levelled out, in the room, at £240. A Louis Wain annual found a buyer at £130.

Entries are now invited for the next Online Antique and General sale which will be held on the 13th April 2019. The sale already includes a good collection of Owen Bowen artwork. A catalogue will be available on thesaleroom.com roughly a week before the sale. Further entries invited.
