IMPORTANT

It will be the Vendor's responsibility to provide the correct documentation (i.e. CID and/or Passports) for each animal. The purchaser will have 72 hours to check such documentation and can at the vendor's expense return any beast with the wrong documentation, or the whole of the Lot with which it was sold, or he can reclaim from the vendor any premium lost as a result of either the vendor's wrongful description of the animals or the incorrect nature of the documentation supplied. The vendor may be liable for any additional costs incurred by the auctioneers in satisfying the purchaser's requirements.

SPECIAL CONDITIONS

All Heifers are sold as being under 30 months old and sold with the appropriate passports unless otherwise declared.

NOTICE TO ALL BIDDERS

If you are purchasing animals on another person's behalf, you must inform the auctioneer BEFORE the sale commences and it must be agreed with the auctioneers who the animal will go to, and who will pay for them.

We would remind you of the Conditions of Sale that place responsibility for payment on the person bidding if he has not disclosed to the auctioneers the eventual purchaser.

READING SHEEP TAGS

We are registered as a Central Recording Point and will record and give you the information you require for cross compliance amongst other things at no further charge

Please be aware of the Defra requirements for reading ear tags. There is a disclaimer as far as McCartneys is concerned concerning tags that don't read, tags that have come out and dare we say sheep that are not tagged. Ultimately the vendor is responsible to ensure that he has 100% records to meet Cross Compliance requirements.

We can only read what we can read!

Please take note of the disclaimer which states "*McCartneys have taken all due care and diligence in reading the EID sheep tags shown in this document but will not accept any failure resulting from the tags themselves either because of tag malfunction or installation error and will not accept any financial consequences from such error. Vendors/Purchasers must satisfy themselves as to the correctness of information shown in relying upon it to meet their regulatory responsibilities.*"

Please take note we will do all we can to help you and not shirk our responsibilities. We can do no more than this.

Please see on our website www.mccartneys.co.uk the Defra Q&A Sheep Electronic Identification (EID) CPRCs & Record Keeping Tolerance.

General Data Protection Regulation (GDPR)

As a result of the GDPR legislation which came in to force in May 2018, and in order to fulfil our health and safety obligations to our employees, we have reluctantly taken the decision to introduce a security system in our offices at Ludlow, Worcester and Brecon livestock markets.

In the past, access to the office and reception area has not been restricted. However, the implementation of this system will mean that only employees and authorised personnel will be able to enter this area of the building, and access to this area from the main door in reception and the back office door to the cattle sale ring will be restricted accordingly.

This system will be activated on 1st April 2019 and while we appreciate that this may initially cause some inconvenience, we would ask for your understanding and cooperation.

The market staff have been instructed to ensure that the system is implemented and is not compromised or abused in any way.

NOTICE TO CATTLE OWNERS

THE CATTLE IDENTIFICATION REGULATIONS 2007

The above Order came into operation on 6th April 2007 and your attention is drawn to **Regulation 4, Schedule 1, Article 3 (3)**.

Regulation 4 requires the owner of a bovine animal kept on any premises to mark or identify that animal in an approved manner, within 36 hours for a bovine animal born in a dairy herd and within 20 days for any other herd.

Please ensure that your cattle are marked with an approved Ear Mark.

CONDITIONS OF SALE

All stock is sold under the Conditions of Sale as recommended for use by the Livestock Auctioneers' Association for England & Wales together with McCartneys Special Conditions as posted in the Market. When these special Conditions are at variance with the Livestock Auctioneers' Association Conditions then McCartneys' Conditions shall prevail. The auctioneers reserve the right to refuse injured or unfit livestock for sale. All stock remaining on the premises after the sale does so at the purchaser's risk and responsibility.

TRADING TERMS

NEW BUYERS OR BUYERS WHO HAVE NOT BOUGHT
AT RECENT SALES MUST HAVE SUPPLIED BANKERS
REFERENCES BEFORE BIDDING.

HEALTH AND SAFETY AT WORK ACT 1974

We would be most grateful if customers, having had the opportunity to examine beasts in the pens, would refrain from standing in the alleyways. Please do not stand in the exit to the Ring. Our drovers have been asked to ensure that alleyways are clear prior to driving cattle down and in the interests of safety we would respectfully ask for your co-operation.
