Auctioneer's Comment:

At last we get over the £100 mark for Hoggets with a superb trade right through. Most Tegs were over £90 with a fantastic trade on the 41 to 44kg Hoggets. Bigger Hoggets also a better trade. Toothers around the £80 mark. Please check teeth before market so they can be penned separately.

Auctioneer's Comment:

A flying ewe trade again this week despite the adverse weather. Hill ewes wouldn't take much to reach in excess of £50 with a noticeably competitive trade on these sorts. All breeds/types a good trade with larger entries required.

Auctioneers Comments

A good attendance of buyers saw a brisk trade for all types and weights. Overall the quality was excellent and there was a total clearance with vendors well pleased with the results. Coated 'turning out' sorts were in particular demand. A strong entry is required for our next fixture on 19th April which is The Spring Show and Sale. There will be classes for young feeding bulls, steers and heifers. Spring will hopefully have properly arrived by then and we anticipate a brisk demand for all cattle forward.
