Auctioneer's Comment:

An excellent trade on all types including Welsh Hoggets. We have buyers for all types and sorts including 'posh' hoggets at Knighton, so give us a try. Best trade was on the 38-43kg. Spring lambs now wanted, please enter all sheep on a Wednesday. As we approach the new season lamb marketing period then we hope you will bear in mind that livestock markets are happy to accept your lambs for sale 52 weeks of the year. We are here as your marketing outlet every Thursday. The auction system is transparent in every sense and just as important your lambs are graded prior to sale and if not up to spec can be taken home and improved prior to their next outing. It is a system that has stood the test of time over other marketing strategies.

Auctioneer's Comment:

A good entry of cull ewes was met with a flying trade. However the leaner ewes were definitely selling at a premium. A noticeable improvement on larger continental ewes in comparison to previous weeks. More ewes could have been sold to advantage. Ewes travelling to Knighton from as far out as Swansea/Carmarthen for a premium price from one of our 5 competitive buyers.
