

Guide to charges for Landlords

- All fees are inclusive of VAT.

Our charges to landlords depend on a number of variables, such as:

- The distance of the property from our office
- The quality/condition of the property
- The monthly rental amount, etc.

Fees charged range from 7.2% (Let Only) to a maximum of 16.8% for managed properties. Fees are calculated on a case by case basis.

Please do not hesitate to contact us to discuss this further.
