Auctioneer's Comment: A steady trade, being a shade better than other markets earlier in the week, more Spring Lambs required as we have 7 buyers most weeks who can cater for over a 1000 lambs weekly. Also our new section for lighter lambs worked well, encouraging additional buyers for that weight range. All lambs under 36 kilos to be penned separately from now on and sold before the cull ewes.

Auctioneer's Comment: A reduced entry of cull ewes met a firm trade despite many firms not killing ewes over the last couple of days due to the Muslim festival. 7 competitive buyers weekly. The most demand is still for leaner sorts. We require a larger entry of ewes for next week.

Auctioneers Comments

A steadier trade due mainly to a reducing price being quoted for prime finished beef. Quality forward was also not as good overall as previous sales. Virtually a total clearance however and a good attendance of buyers.
