**Auctioneer's Comment:**

An excellent trade on the heavier lambs today up to £102. Purchasers want lambs with finish and weight. Nevertheless our lighter lambs trade would be equal to other markets this week. Better numbers forward which can be built up every week to keep buying support.

**Auctioneer's Comment:**

A mixed entry of cull ewes saw a very strong trade throughout. The average would not be an accurate reflection of the trade as there was a significant amount of smaller/leaner ewes forward. We encourage a larger entry of all types next week. Get your ewes out early as there will be an influx in the next few weeks due to weaning/shearing.
