## **CULL EWES – 608**

### **Auctioneer – James Amphlett**

Another very good trade from start to finish for a yard of ewes which included the very lean up to the very fat. Lean ewes are still the best sellers and demand the best trade but bigger fat ewes also sold very well. Lots of mules present with the very best selling between £75-£84. Overall the ewes averaged £74.16 and topped at £128.00 for a pen of good Texel ewes.

**PLEASE PHONE BEFORE BRINGING IN LARGE NUMBERS OF EWES!**

***\*\* If you have large numbers of ewes to bring please continue to book them in so we can discuss trade and let buyers know \*\****
