BRECON MARKET REPORT - PRIS Y FARCHNAD
DYDD GWENER - FRIDAY 12th JULY 2019.

20 STORE CATTLE

A disappointing seasonal show of cattle in terms of numbers to follow the larger supplementary entry and fantastic trade of last month. The entry was of nice quality suckler bred calves and sold to a ringside of mainly farmer customers. This sale continues to provide a service for both Vendors looking to market cattle that don't quite sit comfortably within the end of month sale and similarly to local farmer customers looking for nice quality farming and finishing cattle. A much larger entry is required in August to meet this demand.
