BRECON MARKET REPORT – PRIS Y FARCHNAD
DYDD MAWRTH - TUESDAY 23rd JULY 2019.

400 SPRING LAMBS

A show affected entry of lambs back in terms of numbers and not quite of the overall quality of last week. The trade was again down on the week but consistent with expectations. The better end of the lambs were a decent trade with smalls also in demand. The best lambs sold to £1.91ppk and £86.91 from AM Evans, Penbailey. We hope to have a larger entry next week with top lambs needed for The Festival.

We again reiterate the need for larger lamb entries every week going forward to meet the buyer demand for these top specification lambs.

A bigger show of ewes sold to similar trade for all classes and categories as the flyer of last week. The entry was not quite the quality of last week with some plain hill ewes forward. This is the time to market your cull sheep with confidence in large numbers in the run up to The Festival. A similar entry is required next week.
