CULL EWES – 133

Auctioneer – James Amphlett

A shorter entry of ewes due to the Qurbani festival sold to a solid trade. Not many best ewes on offer but these sold very well with leaner ewes harder to place. More ewes will be needed in the coming weeks as things return to normal and buyers will be again looking for their normal quota. Cull ewes topped at £121.50 average £50.02.

***** If you have large numbers of ewes to bring please continue to book them in so we can discuss trade and let buyers know *****
