

BRECON MARKET REPORT – PRIS Y FARCHNAD DYDD MAWRTH - TUESDAY 13th AUGUST 2019

500 LAMBS

Half the entry of last week to reflect the post festival trade expectation. The trade was better than expected for a decent show of lambs with the best lambs at a marked premium. The best lambs sold to £1.92ppk from Brute, Gwndwnwal and £87.40 from Davies, Hoelinon Fawr. As the trade settles to a level we will need a much larger entry next week.

We again reiterate the need for larger lamb entries every week going forward to meet the buyer demand for these top specification lambs.

SQQ £1.70ppkg

120 CULL SHEEP

Following the bumper entries of the last two weeks just breaking a hundred head is very disappointing. The ewes sold to an even better trade than last week for the strong ewes and a much improved return for the smaller and leaner types with buyers looking for ewes to graze.. Much larger entries of ewes are required in the ensuing weeks.

Overall average Ewes £53.
