## CULL EWES - 675

### Auctioneer - James Amphlett

A difficult trade right through. Buyers are becoming more selective and there seemed to be increasingly more smaller leaner ewes about, and these are hard work. Best ewes are still a good trade along with bigger, meaty ewes. Top price £120.00 averaging £59.50.

***\*\* If you have large numbers of ewes to bring please continue to book them in so we can discuss trade and let buyers know \*\****

**BREEDING EWES & EWE LAMBS - 2931**

A cracking entry of Breeding Ewes - in terms of overall quality and a mountain of support from the locality and further afield.

Purchasers were particularly keen and spirited in following the stronger types but that said all ewes were sold well reflecting their quality.
