Auctioneer's Comment: A very similar trade on the week with the best lambs selling ok on the day. Plainer lambs still hard work. 2 purchasers are looking for finished lambs up to 38 kilos - please enter if you have any. Lambs still coming down from the North which isn't helping us.

New Section for Light Lambs under 36KG to be penned separately and sold after the main section of lambs and before the cull ewes Every Thursday to attract buyers for the lighter lamb markets. Please enter on a Wednesday so the different buyers can be informed

Auctioneer's Comment: A good entry of ewes sold to a fantastic trade again today. Several buyers competitively bidding against each other ensured that the trade remained throughout the sale. More ewes could have been sold to an advantage.

Auctioneers Comments

A total clearance and a firmer trade. Despite a depressed deadweight price there is good interest in the stores with enquiries already being received for the Prize Store Cattle Sale and the Suckled Calf auctions.

Please try and ensure that all entries are made in good time so that they are in the catalogue.

A strong lamb trade achieving an overall average of £60.82 with good demand for all types throughout. More could easily have been sold to advantage. Buyers continue to want sheep which is putting the store trade well ahead of current fat prices. Please enter your lambs for the catalogue to help maintain our strong buying support. Large lambs between £65-£69.50. Medium lambs £58-£64. Smaller lambs £48-£55.
