CULL EWES – 624

Auctioneer – James Amphlett

A better entry of ewes in terms of quality with plenty of stronger Suffolk and continental ewes forward. These sold to a strong trade as did the smaller, leaner meated ewes. Half meated mules still hard to shift as there are so many around nationally. Overall the yard averaged £67.23 topping at £106.00.

***** If you have large numbers of ewes to bring please continue to book them in so we can discuss trade and let buyers know *****
