Auctioneer's Comment: A much better lamb trade on all weights forward. Heavy lambs a marked improvement. Most popular lambs were the leaner, smarter sorts. Abattoirs do NOT want fat. They have to pay to dispose of it! Smart lambs up to 199 pence. A new buyer in attendance. More could have easily been sold. Overall lambs averaged £83.32 per head right through.

Auctioneers Comments

An exceptional store lamb trade. There was a glut of buyers and many men going home empty handed. 2000 lambs could easily have been sold. We have buyers for all sizes and breeds of lambs. Why travel your stock further afield when we have a strong and competitive trade. Save time, commission and fuel. Large lambs - £70-£79.20, Medium lambs - £64-£68, Small lambs - £50-£60. A large entry required for next sale.
