CULL SHEEP - 924

Plenty of buyers support led to a good solid trade throughout. Biggest Suffolk and Continental Ewes are still the best trade, provided they are not fat, with plenty of these over £85.00 and even £90.00. Smaller Welsh bred ewes were also well sold as long as they weren't fat. Leaner ewes would be harder sold on the week.

Ewes topped £110.00 and averaged £60.95

Rams topped £110.00 and averaged £74.74
