PRE-MOVEMENT T.B. TESTING

As from 1st March 2007 all cattle aged 42 days and over are required to be T.B. Tested (and be negative) within 60 days of proposed movement if they are destined for further finishing (i.e. Store cattle at “Green Markets”) provided you are in a parish of 1 or 2 years testing. If less frequent than this do not worry!

*FINISHED CATTLE/OTM CATTLE at “Red Markets” (every Wednesday)
there is no requirement for testing*

FABBL – IMPORTANT

*Even though you are selling Store Cattle,
Buyers are very anxious that cattle **MUST BE FARM ASSURED**.
Please make every effort to get FABBL – it will be worthwhile.*

STORE SHEEP – 562

The finished hogget trade has continued to rise over the recent weeks and, boy did the Stores not follow this weekend! From the first pen to the very last pen the trade was on fire. We had buyers for up to 2000 Hogs but many did not even “get a shot in” because they were simply too dear!

All of the best runs of Suffolk X, Charollais X and Texel X Hogs sold for £90+ with the top two pens at £99 and £100.

All Hogs from biggest to smallest would be £5 - £10 dearer than the last sale.

Top price: £100.00

Overall, all lambs averaged £77.25

With 18 buyers purchasing lambs and several others missing out,
plenty more lambs could have been sold to advantage.

***IF YOU ARE PLANNING ON BRINGING STORE LAMBS PLEASE EITHER BOOK THEM IN THE
CATALOGUE OR TELEPHONE THE OFFICE TO CONFIRM LATE ENTRIES.
IT GIVES US MORE CHANCE TO LET MORE BUYERS KNOW.***
