CALVES & WEANLINGS

Fewer consigned this week. A fair trade reflective of the weather! The strongest Aberdeen Angus weaned bull calves were to £305 with others not far behind. A weaned Aberdeen Angus X heifer settled at £300 and the same for a Hereford heifer from the same consignment. Slightly younger heifers sold to £255 and £270

STORE HOGGETS

An excellent trade across all hoggs, especially considering that the fat trade had slipped slightly. Several people present all commented on how dear the hoggets seemed. Plenty of the strongest hoggets in the late £90s and early £100s, with a top of £110. Large majorities of good farmers hoggets were all in the £80s with an overall average of £75.36.
