PRE-MOVEMENT T.B. TESTING

As from 1st March 2007 all cattle aged 42 days and over are required to be T.B. Tested (and be negative) within 60 days of proposed movement if they are destined for further finishing (i.e. Store cattle at "Green Markets") provided you are in a parish of 1 or 2 years testing. If less frequent than this do not worry!

*FINISHED CATTLE/OTM CATTLE at "Red Markets" (every Wednesday)
there is no requirement for testing*

FABBL - IMPORTANT

*Even though you are selling Store Cattle,
Buyers are very anxious that cattle MUST BE FARM ASSURED.
Please make every effort to get FABBL - it will be worthwhile.*

STORE SHEEP - 357

Another flying trade! A much smaller entry of Hoggs which is understandable for the time of year but, those forward had plenty of quality amongst them. A few runs of big and well fleshed Hoggs sold up to £125 with plenty in the £100's. Slightly longer term Hoggs were also very dear at £78 - £86. Plenty of trade also on the farming Hoggs with the majority all in the £70's.

Top price: £125.00. Overall, all lambs averaged £82.66

EWES & LAMBS

Nice to see our first couples of the season, with plenty of buyers willing to compete for them. Best of the day were Suffolk X 3-4 year old ewes with just over a lamb and a half at foot selling to £203 - A VERY GOOD TRADE!!

MORE COUPLES NEEDED - PLEASE GET THEM ENTERED
