16th June 2020

Dear Breeder,

Worcester Beltex Sale 4th September 2020

Firstly, we hope you are all keeping safe and well.

The Worcester Sale on Friday 4th September is still scheduled to take place and we all hope regulations will continue to be relaxed to make it a meaningful event.

It has been agreed for this year only not to have any pre sale shows, reducing the need for unnecessary gatherings and vendors will by necessity be limited to one person per consignment of sheep.

The sections available, again for this year only, will be for
Shearling Rams
Shearling Ewes (Gimmers)
Ram Lambs
(No older sheep or ewe lambs)

At this stage we need to proceed as “normal” and would like you to make your entries in the usual way.

If circumstances change beyond our control and the sale cannot go ahead and we have not printed the sale catalogue or advertised the sale by 14th August then of course your entries and entry fees will be refunded. If the catalogue/advertising is completed and the sale is then cancelled the entry fees will be forfeit.

We all very much look forward to conducting the sale and being positive in these uncertain times.

Yours sincerely

Clive C Roads FLAA
