

Dear Sir/Madam

NEXT SALE OF STORE CATTLE (viz: Steers, Heifers, Young Feeding Bulls, Breeding Stock and Organic Stock) on Friday 26th March 2021.

I write to invite your entries of Breeding Stock, Cull Cows & Store Cattle for the above sale. Entries close on Thursday 18th March 2021 at 5.00pm.

Last Friday saw an excellent entry of Store Cattle, Cull Cows & Breeding Bulls which met a flying trade from start to finish. Again, we had an excellent range of purchasers for all ages, weights and types of cattle. It was nice to see faithful buyers return and also have some new buyers in attendance who had travelled some distance for the number of excellent cattle at Brecon.

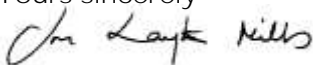

If you have not been to Brecon with cattle or sheep for a while then please give us a try. We are working hard to make sure this modern market attracts buyers for both. Lloyd Humphreys & Tom Pritchard are available to see your stock on farm for free grading or valuation advice.

The confirmed date for the show potential sale will now be Friday 30th April 2021. The sale will be held within our April Sale of Store Cattle within its own section after the Cull Cows and before the main draw of Store Cattle. Catalogue entries for this section only are now open via email and will close on Thursday 22nd April 2021.

We have a catalogued sale of Ewes & Lambs on Tuesday 6th April 2021 and entries for this will close on Thursday 1st April at 5.00pm

Finished lambs & cull sheep are sold every Tuesday & should be entered prior to the sale. Weighing from 7.00am. Sale at 9.15am. Keep these numbers coming and we will maintain strong buying support for you.

Yours sincerely

Auctioneer's Comment:

A very short entry of hoggs today sold to a Bonanza of a trade from start to finish. The average does not convey the trade today as the majority of the entry comprised hill-bred and tail end hoggs. Smarter hoggs all in excess of 280ppk however these were in short supply. **More hogget's needed weekly to meet buying demand.** Please enter early so as we can inform buyers. Auctioneer's Comment:

A good entry of all classes of ewe forward today, selling to a much swifter trade, averaging £84. Smaller hill bred ewes in strong demand, as well as larger continental ewes. All ewes on average seemed £10 dearer compared to last week. Many more are needed weekly.

COVID-19 Rules. STRICTLY Drop & Go System on Finished Lambs & Cull Ewes.

Auctioneers Comments

A good entry of Cull Cows sold to an excellent trade from start to finish. Almost comparable to the dizzy heights of last Summer, especially considering the entry comprised a large number of Store order/Feeding Cows. We had 11 buyers competitively bidding on all lots, with several leaving empty handed. We can sell over 100 Cull Cows per sale here at Brecon. Please enter cows into the catalogue in order for us to inform buyers.

Auctioneer's comments:

What a phenomenal day! I thought the January trade could not be matched but everything was on fire and the ppk up on the month before. A range of ages, weights and types all sold in excess of expectations.

The young feeding bull section met a good trade to average £1232 per head. We have good buyers for feeding bulls so try some at Brecon.

The store steers were a picture and were as dear as ever to average 253.37ppk. A run of 29 wonderful Limousin steers from EL & JD Jones averaged £1525 per head. The younger steers 8m and over were also in demand and went to many different homes all over the UK.

The heifer trade was on fire with not only finishing men purchasing but also a ring full of buyers looking for good bulling heifers. Heifers averaged 245.99ppk selling to 450.7ppk! All types wanted for March.

Store Cattle & Breeding Stock Sales will run under the following rules:

- 1) The "DROP & GO" system will operate as for prime stock.

PLEASE ENSURE YOUR PASSPORTS AND DRAWING LIST ARE FULLY COMPLETED, SIGNED WITH ADDRESSES AND TELEPHONE NUMBERS.

Any reserves should be clearly written next to Lots on the white form and given to market staff on arrival.

- 2) The yard will be open from 6.30am. Please take advantage of this fact to enable stock to be booked properly.
- 3) Glue will be available from the Brecon Market in advance. Again, on farm ticketing helps everyone.
- 4) Once you have unloaded your stock, please move the empty vehicle straight away in order to avoid congestion.
- 5) Market staff will process the stock in the usual efficient manner.
