### Auctioneer's comment:

What a trade! Up a gear we go with some marvellous cattle forward for the Spring Show & Sale. Our prices were well ahead of other centres today with several new buyers in attendance. Some excellent cattle met an excellent trade. We had a ring full of buyers and cattle of all ages, weights & breeds sold to a good trade. Another excellent young feeding bull trade showing Knighton can sell bulls as good as anywhere so give us a try. Vendors all very happy and we are very grateful to them for bringing them to Knighton & supporting our local Market. We require more cattle of all ages, weights & types at Knighton.

Organic cattle demand with 550 kilo over steers to £1300 from A J Beavan & Partners. We need more organic cattle and can sell them as good as anywhere. We have an excellent range of buyers every sale who require more.

We have a good entry of cattle to hand so please enter before 29<sup>th</sup> April for 7<sup>th</sup> May. Please let us know the BVD Status of your cattle as buyers now like to know.

#### **Auctioneers Comments**

A short number of cows forward for the time of year met an excellent trade to, especially considering the age and condition of a majority of the cows forward. Best sold were the cows with reasonable - good cover but demand also for the grazing/feeding types. 5 Buyers in attendance for cows today creating good competition from start to finish. Next sale of Cull cows Friday 21<sup>st</sup> May. Another good entry is needed to take advantage of this trade.
