**Auctioneer's comments:**

Another tremendous run of cattle at Brecon again leading the way against other centres as shown in the averages and top prices above. If you haven't been to Brecon lately give us a try. The entry comprised of Limousins, Blondes, Charolais, British Blues, Welsh Blacks, Aberdeen Angus and some dairy bred sorts.

We had some excellent runs of cattle in today, one being 22 Steers & Heifers from Rees Bros which averaged £1330 and topped at £2350 for a British Blue heifer weighing 570kg.

Another superb run of 24 cattle forward from WCR Cooke & Sons averaged £1464 per head and sold to £1590 for four steers weighing 625kg.

Young Feeding Bulls averaged 215ppk and £1121 per head up to 236.7ppk from W Jenkins & Son and £1345 per head from the same home.

Organic Angus Steers selling to 269.8ppk for (3) 530 kilo to £1430 from PWL Thomas. More Organic Cattle are required every sale.

The day consisted of many more fantastic entries from vendors across Wales and the border counties, too many to mention. Many more cattle could have easily been sold to an advantage here at Brecon with some buyers returning home wanting more!

**Auctioneer's comments:**

WHAT A TRADE! 🔥 The slight drop in the price of beef didn't affect the trade today. A good entry, nevertheless we could have easily sold several more on the day! A ring full of buyers present for the cows and doesn't the trade just reflect how much they wanted them, there were several leaner/grazing sorts forward which proves you really needed to be here to appreciate the trade we had. BRECON IS MOST DEFINITELY THE PLACE TO SELL YOUR CULL COWS!

Next sale of Cull Cows to be held on Friday 25<sup>th</sup> June Take advantage of the trade and enter your barren cows before 5.00pm Thursday 17<sup>th</sup> June 2021. Please enter cows early to help us inform buyers.
