Auctioneer's comments:

Another fantastic cattle trade at Brecon once again with many buyers traveling from all of the UK to purchase cattle. The best bred continental cattle still look very well sold with many lots breaking the 320ppk barrier. Plenty of native cattle also sold this month again these look well sold in comparison. It cannot be stressed enough that more cattle are needed monthly in order to keep all of the buyers happy.

Store Steers averaged 261.33ppk and £1202.24 selling to 347.9ppk from CL & FE Jerman and £1770 from EL & JD Jones

Store Heifers averaged 251.86ppk and £1125.64 per head selling to 357.4ppk from CL & FE Jerman and £1720 from the same vendor

Store Bulls sold to £1500 from K & PM Griffiths.

The Prize classes were kindly judged by James Williams of Cheshire.

Auctioneer's comments:

Another fantastic cow trade with no signs of any let up in the trade with more cows being readily available at this time of year. Best cows all still were trading above £1200 which is fantastic for the time of year. 7 Me competing for cows again this month on a day when many more could have been sold.

Next sale of Cull Cows to be held on Friday 26th November

Take advantage of the trade and enter your barren cows before 5.00pm Thursday 18th October 2021. Please enter cows early to help us inform buyers.
